7TH OCTOBER 1891, No. 2682 W., PUBLIC WORKS.

2682/1

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers :—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 28th August 1891, No. 1017 G.D.

I have the honour to state that in G.O., No. 2992 W., dated the 24th September 1888, the building known as "Military place-of-arms" at Ellore, in the Godávari Western division, was transferred from Military to Provincial list, as the Quartermaster-General, in his letter No. 3335 A., dated the 13th September 1888, printed with the above Government Order, stated that none of the military buildings at Ellore are likely to be required again for military purposes. The building was occupied for some time as an office of the Pension Pay officer.

2. From a letter from the Superintendent of Army Schools on Tour, Ellore, to the Commandant, 22nd Regiment, Madras Infantry, extract from which was forwarded to me with Assistant Adjutant-General, Madras District's endorsement No. 2949 (herewith, to be returned) of the 7th August 1890, it appears that the building in question has been occupied for a school under the control of Military Department. Neither the Executive Engineer nor myself was aware when it was occupied for a school. The building is much required for locating two of the sub-division offices of the Western division, viz., Western sub-division and the Tank and Embankment sub-division. I therefore request that you will be so good as to ask the Military authorities to transfer, if possible, the said building to this department. A building is at present rented for one of the above sub-division offices at Ellore.

3. I herewith enclose copy of a letter No. 805, dated the 25th August 1891, received from the Officer in charge of Pensioners of Rajahmundry in reply to a reference made by me, from which it will be observed that the school was located in the building in July 1890.

Referred to the Military Department for favour of remarks.

To the Quartermaster-General.

From Brigadier-General E. H. EYRE, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 17th September 1891, No. 2104 M. W.

In returning reference order No. 4960 of 5th instant with enclosures, I am desired to state that as the building known as the "Military place-of-arms at Ellore" with other military buildings at that station have been transferred to the Provincial list under Proceedings of Government, No. 6871, of 16th October 1888, the Military Department has no longer any control over these buildings, which are at the disposal of the Civil Department.

Vide O.G., P.W.D., No. 2992 W., dated 24th September 1888.

2. It is understood that through the courtesy of the Sub-Collector of the Godávari district a portion of the building known as the "Place-of-arms," previously used as a "Pension Pay office" and referred to in Proceedings of Government, No. 791, dated 7th February last, is at present used as a school for the depôt of the 22nd Madras Infantry; but if the building is required by the Civil Department for other purposes, it will become necessary to make other arrangements for the school, and orders will be issued accordingly on the same being intimated.

No. 5340, Military.

Transferred to the Public Works Department and the referred papers returned.

2. Attention is invited to the concluding portion of para. 2 of the Quartermaster-General's letter.
