7TH OCTOBER 1891, No. 2683 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

From A. REA, Esq., M.R.A.S., Superintendent, Archaeological Survey, Madras, to the Chief Secretary to Government, dated Bangalore, 10th September 1891, No. 410.

I have the honour to forward a budget estimate for the conservation of ancient monuments during 1892-93.

2. The revised conservation list has been but lately forwarded to the Public Works Department,* and I have no information of the extent of the repairs proposed to be undertaken by the several Public Works Engineers during the coming year. I would propose a lump sum of Rs. 5,000 as sufficient for the work to be carried out. If estimates in excess of that amount are sent in, they could be deferred to the year following.

3. I would suggest that rough estimates of the work proposed to be undertaken each year be forwarded in time for the preparation of the budget, so that an approximate total might be estimated. Detailed estimates could be prepared thereafter when the work came to be proceeded with.

4. A sum of Rs. 600 has been allotted to me from the conservation grant during the present year† for the excavation of sculptures, &c., from certain mounds in the Kistna district. This work will be undertaken during my tour at the end of the year. I would suggest that the same amount might be sanctioned for the same purpose during the coming year.

Transferred to the Public Works Department.

Ootacamund,
17th September 1891.

(Signed) J. F. PRICE,
Chief Secretary.

ORDER—dated 7th October 1891, No. 2683 W., Public Works.

Communicated to Superintending Engineers and the Consulting Architect to Government for information.

2. A sum of Rs. 5,000 will be provided in the Provincial Civil Works budget for 1892-93 for the conservation of archaeological works, and from this amount Rs. 600 will be placed at the disposal of Mr. Rea for the excavation of sculptures in the Kistna district.

3. The Superintendent, Archaeological Survey, will be furnished by Superintending Engineers and the Consulting Architect to Government, on or before 1st September, with rough estimates of works proposed to be undertaken during the ensuing official year, and he will submit the annual budget estimate so as to reach the Public Works Department before 1st October.
