From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to
the Chief Secretary to Government, dated Madras, 26th August 1891,
No. 9899.

I have the honour to submit, for sanction and transfer to the Public Works
Department, the accompanying plan and estimate for Rs. 2,610 for providing an
ornamental screen and balcony to the Presidency College buildings.

2. Under the Madras Educational Rules every college is required to provide one
or more common rooms for the use of the members of the staff. The absence of such
a necessary convenience in this college has long been felt. No spare room is at
present available for the Professors taking their tiffin, and they are obliged in
consequence to keep their tiffin baskets in their class rooms during the hours of
teaching and to use the class room as a tiffin room during the hour of recess. A
room is also required in which Professors can meet for reading and consultation.
The Presidency College is the only first-grade college in the town of Madras which
is not provided with teachers' rooms.

3. I beg to request that the necessary funds may be allotted for early execution
of the work.

Approved and transferred to the Public Works Department.
