FIRST CIRCLE.

TO,

THE CHIEF ENGINEER

PUBLIC WORKS DEPARTMENT.

DOWLAISHWERAM, 29th September 1891.

SIR,

I have the honor to bring to your notice that with reference to para 832 B of the P.W. Code a cooly on a monthly pay of Rs 5 was engaged from the 4th to the 29th June 1891 for watering Cuscus tatties in this office, but the Examiner of P.W. Accounts has passed the charge at the rate of Rs 4-0-0 per mensem for the above period & disallowed the difference Rs 0-13-9 stating that he cannot admit the difference in the absence of special sanction of Government -

2. No cooly man was procurable at this station for a pay less than Rs 5 per mensem to work in the hot weather & I request therefore that you will be so good as to obtain the sanction of Government authorizing the Examiner to admit the difference.

3. I take this opportunity of bringing to your notice that the ruling in para 832 B of the P.W. Code relative to the cost to be incurred for watering cuscus tatties is not quite clear; its general meaning seems

to be that the charges to be paid for this purpose have nothing to do with the rate of pay fixed for a punkah puller.

I have the honor to be,
Sir,
Your most obedient servant

Chutputturt
Off^{ce} Sup^{ty} Engineer 1st Circle.
