GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper :—

From Rev. E. SELL, Secretary, Church Missionary Society, to the Secretary to Government, Public Works Department, dated Kodaikānal, 14th September 1891.

I have the honour to lay the following matter before you and to ask for your help in it.

2. About three years ago the Society became possessed by purchase of the house in Ootacamund now known as the Kinlock school. The Educational Department then sanctioned a grant of Rs. 1,000 towards the alterations needed to adapt the building to school purposes. The work was entrusted to a firm of builders at Coonoor, but the work was so badly done that the District Engineer could not give the completion certificate and so we lost the promised grant-in-aid.

3. The bad work referred to now renders it necessary to spend about Rs. 1,100 more on the property, and again the Educational Department has sanctioned a grant of Rs. 366-10-8, but we do not know how to get the work done in a way which will satisfy the District Engineer. Having already lost one grant, we are afraid we shall lose this second one also unless you can help us.

4. I may add that some years ago considerable work was done at the Hobart School, Ootacamund, by the Public Works Department, so that there is a precedent for the request I now make—that you will kindly obtain the sanction of Government to allow the Public Works Department to do the work at the Kinlock school at the expense of the Society.

5. I may further add that the school is a public benefit and that it is held in trust by the Bishop and Archdeacon for the Society.

ORDER—dated 24th October 1891, No. 2805 W., Public Works.

The alterations necessary to adapt the Kinlock school at Ootacamund for educational purposes will be undertaken by the Public Works Department under the provisions of para. 1342 of the Public Works Code.

Sir
I have the honour to lay the following matter before you & to ask for your help in it.
About three years ago, the Society became possessed by purchase of the house in Ootacamund, now known as the Kinlock School. The Educational Department then sanctioned a grant of Rs 1000 towards the alterations needed to adapt the building to school purposes. The work was entrusted to a firm of builders at Coonoor; but the work was so badly done that the District Engineer could not give the completion certificate & so we lost

the promised grant in aid

3. The bad work referred to now renders it necessary to spend about Rs 1100 more on the property. In the Educational Department has sanctioned a grant of Rs 366.10.8, but we don't know how to get the work done in a way which will satisfy the District Engineer. Having already lost one grant we are afraid we shall lose this second one also, unless you can help us.

4. I may add that some years ago, considerable work was done at the Thobast School, recommended by the D.P.W. so that there is a precedent for the request I now make - that you will kindly obtain the sanction of Government to allow the D.P.W. to do the work at the Kinloch School at the expense of the Society.

5. I may further add that the School is a public benefit & that it is held in trust by the Bishop & the Dean for the Society. I have the honor to be

FOR ORDERS.

The undersigned
has had a conversation
with the Bishop of
Madras upon this
subject.

It is to the interest
of the State that
grants-in-aid should
be properly expended,
and as this work can
be undertaken without
difficulty by the Executive
Engineer (Coimbatore
Division), it is suggested
that sanction may be
given under para
1342 of the Code; the
charge for establishment

Where is the plan & estimate
in which the Educational
Dept. has sanctioned the
grant? There must be
also on the subject.
