THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

With reference to para. 1540, Madras Public Works Code, I am directed to forward, for the sanction of the Government of India, the accompanying plan and estimate, amounting to Rs. 30,653, for constructing lines for the men of His Excellency the Governor's Body Guard.

2. It will be seen from the Proceedings of this Government marginally noted No. 5032, Military, dated 9th September 1891. that the Government of India in the Military Department has already concurred in the desirability of housing the men in proper lines, but considers that the work should be carried out from Provincial funds. This Government has now made the necessary allotment, and it is therefore requested that the Government of India may be moved to sanction and return the estimate with the least possible delay in view to the very early commencement of the work.

I have the honour to be,
Sir,

NOTE OF REMARKS.

Hutting accommodation for H.E. the Governors Body Guard.
amount of Estimate Rs 30653

This estimate provides accommodation for 4 native officers 14 N.C. officers and 100 privates as per plans submitted. The accommodation provided for the men is not regulated on any standard area authorized for each rank but owing to the huts being located in one of the principal parts of Madras it is proposed to build them suitable than that of ordinary Cavalry lines.

The accommodation provided for the officers & men are as follows :-

W.

Native Officers. Main room 2 x 15' x 10'
—do— 1 x 9 x 10
Kitchen — 1 x 15½ x 6
Bath Hs. — 1 x 8¾ x 5
—do— 1 x 5 x 5.
together with verandah & earth yard.

N.C. Officers — room 1 x 12 x 10
Privates — do 1 x 10 x 10
with verandah & yard. Latrine & bath room accommodation in yard.

The quarters and huts are proposed to be built with burnt bricks in mud for the external walls plastered with cutch murram and color washed cement color, the internal walls to be of sun dried brick in mud & whitewashed. The foundations of the walls are to be 3 feet deep and the basement 6" high. Roofing will be of palmyrah rafters with tile battens covered with flat Ipan tiles & murram ridge bands. no flooring is allowed to the rooms nor pounding to the yards. The internal faces of the walls are not provided with mud plaster, before they are white washed. This it is presumed will be done by the men occupying.

2818/9

Excepting the pounding floor of latrines and the pair with 8" square tiles and the 4 cisterns with 9" x 9" cement plastered with cement.

The above estimate attached is for 200 men class in General Lines. made up as follows:

Skilled labor & lab. mat. Rs 10,291
Materials (material) 18,902
Contingencies 5% — 1460
Total estimate Rs 30,653

From the above figures it is presumed that unskilled labor will be supplied by the Officer commanding the Body Guard as the items for excavation of foundations, filling in basement, dismantling walls &c are not included in the estimate for 30,653 Rs.

Another statement showing labor and materials & unskilled work is also attached. This amounts to Rs 24,654 & it does not provide for the following items:—
