R. No. 2824
17-12-90

To

The Superintending Engineer
Second Circle.

Through The Executive Engineer
Nellore Division.

Most honored Sir.

In continuation of my application submitted to your honor on the 19th September/89. I once more humbly beg your honor will be pleased to reconsider my case and do me justice.

In 1886 I was appointed as a Stone-keeper of the Nellore Division on Rs 20/- per mensem. In 1887 the Sanguam Project Division was amalgamated with the Nellore Division. Owing to this amalgamation my work and responsibility have been greatly increased but with no corresponding increase of my salary.

On my application aforesaid your honor was pleased to recommend me to the Government for my pay being raised to Rs 30/-; but the Government, unfortunately for me, in their G.O. No. 3174 W dated 8th Nov 89 stated that they were unable to grant the increase applied for as this was only a Second Class Division.

Yours

The Division has now
 been placed in Class one and I therefore request
 your honor will be pleased to increase
 my present salary (Rs 20) to Rs 40/-
 as A. A. G. Malet Esquire recommended
 in his remarks in the Transfer Report of
 this Division dated 10th Nov 88. An
 extract from which is herewith appended
 for your honor's perusal.

In support of my humble claim, I
 beg to bring the following to your
 honor's kind consideration -

- (1) The existence of a workshop
 here -
- (2) The amalgamation of the Singam
 Project Division with this.
- (3) The Division being made a first
 class one -
- (4) (a) The value of stock

Before the amalgamation of Singam Div.	at the end of the last month
4,074-7-9	11,811-4-5

(b) - do. Tools Plant	26,000-0-0	50,000-0-0
total value -	30,074-7-9	61,811-4-5

This Division was converted into a first
 class one in June 1890. And I beg your
 honor will be pleased to have the
 increase solicited given to me with
 retrospective effect.

note 282/4

With reference to the Hon Member's note on the enclosed paper, the undersigned has the honour to state that Rs 25 per mensem is the rate of pay fixed for a stenographer in a first class division.

Nellore has not been formally declared to be a first class division, but the effect of G.O. no 1721W & 20.6.90 was to make the office estate identical with that of a first class divn. Considering the importance of the division since its amalgamation with Sangam, it is considered that its status should be formally raised to 1st class. by G.O.

Extract from the Report of the
Nellum Division dated 10th Nov. 1888

The Stone-keeper draws a salary of Rs 20.
This is really utterly inadequate as compared with the work performed and the responsibility of his post. In addition to the value of Stock and Tools & Plant in his hands he has to pass and bill for all petty supplies which come to a considerable amount monthly. I consider his salary should be raised to Rs 40 at least and I would strongly recommend the appointment of an Assistant Stone-keeper on Rs 15/-

further consideration, By a ^{the Assistant} Clerk II class.
1st grade sanctioned in G.O. 1721 W. dated
20th June 1890. I believe is now a first class
Division. I strongly recommend that the
Stonekeeper's pay be raised in order to adequately
compensate him for the work & responsibility
he undertakes.

For order with reference
to the H. M. note -

Rs 25 per annum
is the rate of pay fixed
for a storekeeper in a
first-class division.

The Nellore division
is still classified in the
Bridges as a 2nd class Div.
as no formal orders
have been passed raising
its status to 1st class -
since the issue of
G.O. No. 1721 of 20.6.20
however, the clerical
establishment has been iden-
tified with that of a
first-class Div. & it
may be well perhaps
to call it so, to
avoid questions in
future regarding the
establishment.
