From the Executive Engineer,
Kishan Western Division to the Suptg
Engineer, 2nd circle, No 341. Dtd 22.9.91

I have the honor to state that
the Examiner in his audit note on
the accounts of this Division for June
last points out that the salary &
travelling allowance of 1 draftsman
on Rs 50 and a clerk on Rs 20 per
month should be debited to the grant
of Rs 1000 provided for on account
of Special establishment for investiga-
ting tanks in page 18 of the Irrigation
Budget for 1891-92.

But from your No 106 No. dated
14th April 1891, it would appear that
sanction has not been obtained
for the continuance of the above temporary
establishment during the current year.
I therefore, request that the requisite
sanction may be obtained & communicated

to this office for its being quoted
in the salary bill of the above establish-
ment.
