GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Service—Officers.

Read the following papers :—

No. 108. From Brigadier-General H. P. PFARSON, C.B., Adjutant-General, Madras Army, to Brigadier-General A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Ootacamund, 11th August 1891, No. 2155-O (Service—Officers).

With advertence to the letter from the Secretary to the Government of India, No. 795-G of the 14th ultimo, recorded in Proceedings of Madras Government, No. 4279 of the 3rd instant, I have the honour, by desire of the Commander-in-Chief,

to point out that if the views* as expressed by this office be opposed to the Royal Warrant of the 20th February 1886, it would appear that, for the reasons explained below unless the

whole of an officer's service counts as *Indian service*, no amount of service will entitle him to the full Indian pension of £700 per annum admissible under Article 9 of the Royal Warrant.

2. According to Article XI of the Warrant in question, the pension of a Royal Engineer officer who has elected for continuous service in India is the British pension of his rank and service *plus* a certain proportion of the difference between such British pension and the Indian Staff Corps pension, that is to say, the difference between the full Queen's pension of £450 and the Staff Corps pension of £700, as is represented by the proportion his *Indian service* bears to his *total service*. This proportion is presumably intended to have reference only to the calculation of periods of Indian service not exceeding the maximum period of 32 years; but if otherwise, take the case supposed in para. 2 of my letter No. 177-O, dated the 22nd

January last†, the officer would have a total service of 35 years, of which 32 would count as Indian service and would only be entitled to 32/35 of the difference between the British pension and Staff Corps pension‡. Moreover, no officer with more than three years' service out

of India can possibly attain to the highest rate of pension of £700 a year.

3. In these circumstances and as the interpretation now communicated must necessarily have general effect in India, it is suggested that the Government of India may be again addressed in view to an authoritative decision being recorded on the point at issue.

No. 109. To the Secretary to the Government of India, Military Department; dated 18th August 1891, No. 4617.

No. 110. From Major-Genl. E. H. H. COLLEN, C.I.E., Secretary to the Government of India, Military Department, to Brigdr.-Genl. A. KENNEY-HERBERT, Secretary to the Government of Madras, Military Department; dated Simla, the 1st October 1891, No. 2008-A.

Retirements.

In reply to your No. 4617, dated the 18th August 1891, relative to the mode of computing the Indian pension of continuous service Royal Engineer officers, I am directed to say, for the information of the Governor in Council, that the question has been very fully considered by the Government of India in all its bearings and that certain modifications suggested on the subject to the Secretary of State were negatived.

x A-11 2182 W

2. Under the circumstances, the rule laid down in para. 11 of the Royal Warrant of 20th February 1886 and the mode of calculation shown in the memorandum of decisions passed thereon, communicated to you in Military Department No. 991-S-A, dated 13th August 1886, should be adhered to.

31-8-86 Proceedings of Madras Government, No. 5137, dated 24th August 1886.

No. 111. ORDER THEREON, 10th October 1891, No. 5582.

The foregoing letter from the Government of India communicated to His Excellency the Commander-in-Chief and the Public Works Department.

(True Extract.)

A. Kenney-Herbert
Brigdr.-Genl.,
Secretary to Government.

To the Adjutant-General.
