Extract from letter from the Superintending
Engineer, I Circle, No. 3351 dated 2nd September
1891:—

With reference to your memo No. 88 D
dated 24th April 1891 and subsequent reminders,
I have the honor to report that in accordance
with the orders contained in G.O. No. 2183 W of 12th August
1889 Mr. Loam, Assistant Engineer, was directed
to complete the estimates (the survey and
levels had already been completed by the late
Mr. Knowles) for the extension of the road
from Karaput to the frontier of the Central
Provinces. Mr. Loam was relieved of his
ordinary duties (Karaput subdivision)
in September 1890 so that he might
devote his attention to the preparation of the
estimates called for:—

2. Early in March, when I visited Viya-
gapatam, Mr. Willock the Agent to the
Governor, Viyagapatam district, person-
ally informed me that Government had
in G.O. 103 of 17th January 1891 Judicial,
accepted his proposals, one of which
was that it was quite unnecessary to
continue the road beyond Nowrangapur.

I accordingly directed Mr. Loam to send in plans and estimates for that portion only - namely - from Jeypur to Nowrangapur via Borigumma. The road between Moraput and Jeypur, down the Jubile ghat, is being carried out by the Agency and is, I believe, almost completed. The distance from Jeypur to Nowrangapur is nearly 26 miles. -

SIR,

I have the honor to bring to your notice that the Examiner of Public Works Accounts has objected to pass, in the absence of special sanction of Government, Sub Division allowance to Mr. R. Harris Supervisor, who has been put in charge of the Vizagapatam Sub Division - He states in the enclosed copy of his letter No. 4000 dated the 15th July 1891 that sanction of Government is required, as the deputation of Mr. Loam Assistant Engineer, on special duty, has resulted in extra expense - Mr. Assistant Engineer Loam has been specially employed in the preparation of estimate for road from Koraput to the Frontier of Central Provinces vide G.O. No. 2188 Lt. dated 12th Aug^r 1889, I therefore request that you will be so good as to obtain the necessary sanction of Government for the Sub-division allowance being passed to Mr. Harris, as long as Mr. Loam is employed on special duty - I trust that the estimate for the road will be forwarded very shortly - The estimate is now being corrected by the off^r Executive Engineer Vizagapatam & Mr. Loam.
