From A. S. Russell Esq. Executive
Engineer, Buckingham Canal Division
to the Superintending Engineer, 2nd Circle
Dated 29th September 1891, No 1515

28th / 1

In appending a précis of the
marginally noted correspondence, I

have the honor
to state that from
the abstracts given,
it will be observed
that a sum of
Rs 303.10.3 is
due to Government
from one S.
Venkatachella

1. Southern Sub Division Office No 371
d/10.8.91.
2. Executive Engineer No 1207 d/25.8.91 to the
Sub Division Office.
3. Registered notice from the Imp to the
purchaser No 1208 d/25.8.91
4. Temporary Overseer Varadarajachoddi
letter to overseer Murgesa Choddi No 66
24.5.91
5. A receipt d/19. June 1891 signed by
purchaser S. Venkatachella Choddi
for 0.9 tons & 1 cwt of casuarina wood
made over to him between 20th April & 11th June 1891.
6. Letter from overseer C. Murgesa Choddi
No 162 d/5.9.91 to the Southern Sub Div Office
7. Southern Sub Division Office No 433 d/
11th September 1891 to the Executive Engineer

Venkatachella
Choddi for
0.9 tons & 1 cwt of
Casuarina wood
cut from the
Publicat Division,
and sold to him
between 20th April
and 11th June 1891,

and

the steps taken both by the
Sub Division Officer & myself

for recovering the amount, have proved futile, the man taking no notice of letters.

2. The wood in question was sold on credit without authority by the Temporary overseer C. Varadarajan Modaliar, while he was in charge of the Pulicat Diversion work, and the overseer did not even take a receipt from the party for the wood delivered, but a receipt for the wood made over was, however, subsequently obtained by overseer C. Murgesa Modaliar who relieved the Temporary overseer of the Pulicat Diversion work, and the difficulty now is in recovering the amount due.

3. The purchaser is a well known and wealthy merchant of Madras, and the Temporary overseer appears to have trusted to this a sufficient warrant for handing over the

without first obtaining ²⁸⁴⁰ payment.

4. As there seems no probability of recovering the amount due without having recourse to law, I request that, under Code para 411, sanction of Government may be obtained for instituting a Civil suit against the purchaser in the Madras Court of Small Causes.

5. The Sub Division Officer has been requested to refer to this office in future before arranging for the sale of timber from land required for Canal Diversions. In this case, I knew nothing at all of the transaction until the wood had been made over by the Temporary overseer.
