Copy of application from T. C.
Rengaswamy Pillai, Storekeeper
Madura Division office to the
Executive Engineer, Madura division
dated 25th September 1891.

2842

I beg most respectfully to
lay the following circumstances
to your honor's kind consideration
and favorable action.

The security I have deposited
(Rs 200) for my post is a loan. I
have taken from a banker of this
place at an interest of 12 p. c
per annum. Out of my pay of
Rs 20, I am paying every month
Rs 2 against the interest & so
my pay virtually comes to Rs 18.
Besides supporting my family
with this pittance, I have the
schooling of my brothers as also
a house rent of Rs 5 to pay for -
thus my pay is hardly sufficient
to make the two ends meet, more
so in these days of dearth and
famine -
own

I have an ancestral property
a piece of ^{wet} land as richly bought for

No 450, but now estimated at
double that sum. If the title-
deed of this land which is
free from incumbrances of any
sort be accepted as my security
and the money deposited here-
inward to me, it will be literally
bestowing a boon of Rs. 2 on me
every month. the amount I
pay monthly as interest.

I request therefore that your
honour will be pleased to move
the Chief Magistrate through the
Superintending Magistrate to accept
the deed in the place of money
as my deposit.

N. 2700

Forwarded to the Superin-
tending Magistrate for favourable con-
sideration with reference to Code
Para 791-

orders of the Chief Magistrate N.H.D.
2. The code para 791 quoted
by the Magistrate Magistrate does not
meet with the applicant's request,
but if the property is free from all
incumbrances & if it is worth the
value, there appears no objection
to its being taken as security on
the sanction of Government. It will
however have to be ascertained -
through the Revenue Department
whether the land is worth the value
and whether it is free from in-
cumbrances.
