Through the En. Engineer

Most respected Sir

In obedience to G. O.
no. 1996 W. dated 24-7-91 I res-
pectfully beg to state that my
temporary appointment as
an Engineer in the Cuddapah
Division will be over by the
3rd of next month and as I
will have to be without any
appointment from that date
I humbly beg that your honor
will graciously be pleased
to consider my case and appoint
me elsewhere before the expiry

With reference to your No. 1136
dated 30 July last, I have the honor
to report that services of temporary
Overseers Alagasinalachary and
Appasamy Iyer will cease on the
2^d & 9th November next.

2. Overseer Mr. Alagasinalachary
has completed the field works of the
Cheyair embankments and is now
engaged in estimating which will
probably close by the end of the month.
3. Overseer Mr. Appasamy Iyer
has completed the field drawings
for (1) Patnam Kuganayami tank
(2) Anthial chernou tank (3) Kokant
large tank and (4) Kokanti Dinnanayami
tank

tank. Their estimating has yet to be done and I have set him now on them and their completion will not be less than 2 months yet.

4. As originally arranged for, Chintagunta tank, Papagiri embankments and Bommaravaram supply channel have yet to be taken up. The Sub divisional officer Madanafally is a good deal put out from want of an overseer.

5. I have the honor therefore to submit that you will be pleased to apply to Government to retain their services till the close of the official year and if this be sanctioned one overseer will be told off to Madanafally Sub division and the other overseer will be set to take up and complete the works referred to in para 4.
