27TH OCTOBER 1891, No. 2849. W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 7th October 1891, No. 366 G.L.

With reference to your memo. No. 3812 C., dated 24th August 1891, I have the honour to submit, herewith, a statement showing the modifications and additions of allotments required in this circle, and to request that the modifications and additions therein applied for may be sanctioned.

ENCLOSURE.

I Circle.—Statement showing the modifications of allotments required under Imperial Military Civil Buildings, Provincial and Local, during 1890-91.

Fund.	Division.	Departmental head.	Budget head and names of works.	Existing grant.	MODIFICATION OF ALLOTMENTS APPLIED FOR.			MODIFICATION OF ALLOTMENTS PROPOSED.		Remarks.
					Reduction.	Increase.	Rs.	Reduction.	Increase.	
Imperial	Godavari, Eastern.	Repairs	IMPERIAL. CIVIL WORKS. Telegraph. Lump sum	3,500			2,700			The Executive Engineer states that, in the budget for 1891-92 sent by him last year, Rs. 2,500 were approximately entered for special repairs of signalers' quarters at Cocanada, but the estimate prepared for the work subsequently amounted to Rs. 570, which accounts for the surrender of the greater portion of the allotment.
Provincial	Vizagapatam	Original works.	PROVINCIAL. CIVIL BUILDINGS. Major. Constructing an office for the Special Assistant Agent at Koraput. District Munsif's Court-house at Amalapuram. Taluk office at Ellore Sub-Registrar's office at Amalapuram.	7,007			8,000			Please see this office letter No. 384 V. Z. of 21st September 1891. Probable saving on the estimate. No type design has yet been received; hence the surrender. This amount is required to complete the work in this official year. A revised estimate for Rs. 4,130 has been sent to the Inspector-General of Registration on 4th October 1891. The existing allotment is found insufficient to meet all the requirements of the division. Please see this office remark entered in the application submitted with this office No. 257 G. L. of 30th July 1891, and G.O., No. 2219 W., dated 17th August 1891, thereon. Revised estimate has lately been submitted to the Inspector-General of Registration. The work has not yet been started for want of a revised sanctioned estimate. It seems that the Executive Engineer is not able to spend more than Rs. 1,000, even if the estimate is sanctioned shortly.

Please see this office letter No. 283 V. Z. of 14th August 1891, and G.O., No. 2391 W. of 7th September 1891 thereon. Required for making wooden record-racks for the Taluk office at Sarapuri.

Constructing new Pottinghi Ghat road.	8,000	3,000	15,000	..	..	..	Please see G.O., No. 2169 W., dated 12th August 1891. The Division officer states that no more than Rs. 5,000 can be spent this year. This is required to pay for the work already executed. Do. Do. Work nearly completed. The amount applied for is to cover the expenditure of this year.
Do.	Do.	Repairs	Lump sum	12,000	3,000	17,050	..	..	..	The amount allotted in the budget is insufficient to meet the expenditure incurred. Please see application submitted with this office No. 257 G. L. of 30th July 1891, and G.O., No. 2219 W. of 17th August 1891 thereon. As funds have been appropriated for every work sanctioned during the year, the original budget grant is not necessary; hence the surrender.
Ganjam	Do.	Original works.	EXCLUDED LOCAL. Miscellaneous Public Improvements. Lump sum	1,030	500	..	..	..	..	The additional grant applied for is required for completing the work. Please see this office application No. 1018 G. D. of 28th August 1891. The Executive Engineer states that Rs. 2,000 were given in excess of the required allotment and that he cannot spend more than Rs. 5,900 during the current official year of the estimate (Rs. 6,950); hence the surrender. The existing grant for the work according to G.O., No. 1668 W., dated the 20th June 1891, is Rs. 6,950, but the Executive Engineer states that the Examiner, Public Works Accounts, has, in the audit notes for July 1891, altered the grant to Rs. 8,950 as per G.O., No. 801 W., dated the 19th March 1891.
