8TH OCTOBER 1891, No. 942, REVENUE.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

Read—again the following G.O., dated 18th July 1891, Mis. No. 4094, Revenue :—
Read—the following Proceedings of the Board of Revenue (Land Revenue), dated
3rd March 1891, Mis. No. 1343 :—

MR. G. MCWATERS.

Read—the following letter from R. SEWELL, Esq., Collector of Bellary, to the
Secretary to the Commissioners of Land Revenue, dated 30th January
1891, Ref. No. 383 :—

With reference to the Proceedings of the Board of Revenue (Land Revenue),
No. 5679, dated 19th September 1889. noted in the margin, enquiring as to the
" 7812, " 20th December " disposal of the old Deputy Tahsildar's
office building at Kampli when the new
building is ready, I have the honour to forward copy of a resolution of the Taluk Board,
Hospet, No. 12, dated 13th December 1890, offering to take it up at Rs. 500 against
an actual value of Rs. 1,400 and a probable selling value of Rs. 800 as estimated by
the Executive Engineer in his letter, No. 1887, dated 21st July 1890.

2. In my opinion the offer of the Taluk Board may be accepted. The Board
may be pleased to observe from paragraph 4 of the first of its Proceedings quoted
above that the building is " out of repair and not worth laying much money upon."

Resolution—dated 3rd March 1891, Mis. No. 1343.

Submitted to Government.

2. The Board recommends that the old Deputy Tahsildar's cutcherry may be
sold by auction with an upset price of Rs. 500, so soon as the new one is completed.
The site is said to be in the middle of the town.

THE HON. MR. J. GROSE.

Read—Official Memorandum, Revenue Department, dated 6th June 1891, No. 132-R.

Reference thereon, dated 12th June 1891.
Forwarded to the Collector for early report.

Read—the following letter from R. SEWELL, Esq., Collector of Bellary, to the Secretary to Government, Revenue Department (through the Commissioners of Land Revenue), dated 17th June 1891, Ref. on G. and B. No. 710—2275 :—

In reply to order, No. 2634, dated 29th April 1891, calling for a report as to whether the Kampli Deputy Tahsildar's office building now in course of construction should be completed, or further progress stopped and materials disposed of, I have the honour to state that I have inspected the building, and am decidedly of opinion that it ought to be completed without delay. All the materials are ready and the only work remaining to be done is to put up the roof and put in the windows and doors. As remarked by the Executive Engineer, it would not pay to remove the materials. If there is no need for the building as a cutcherry, it will be easy to find some other use for it.

Resolution—dated 24th June 1891, Mis. No. 4303.

Submitted to Government with reference to its official memorandum, No. 132-R., dated 6th June 1891.

2. It would be an evident waste of money to put a stop to the construction of the building at this stage, and the Board considers, therefore, that its construction should therefore be proceeded with.

3. If it is decided to remove the Deputy Tahsildar, the Collector will be called on to report on the question of putting the building to some other use.

2. The Collector should be called on to report how he proposes to utilize the building when the Deputy Tahsildar is removed to Hospet.

3. The Board's recommendation that the old building at present used by the Deputy Tahsildar should be sold by auction is approved.
