From
H. Le Franc Esquire
Collector of North West

The Secretary to the
Commissioners of
Land Revenue
Madras

Sir,

In page 6 of the Provincial Civil
works budget for 1891-92 Communi-
cated with the Board's Proceedings
No 368 dated 24th June 1891, Rs 10,000
are sanctioned for each of the
Taluk Cutcheries at Chandragiri
and Wandsworth. The Executive
Engineer North West Division, who
was requested to state when the
Construction of the 2 buildings
will be commenced, reported that
they will be taken in hand as soon as
the Estimates on the new revised
plan are received sanctioned.

As the want of good Saluk Hatchery
buildings in these 2 places is a long
felt want, I have the honor to
enquire when the new standard
plans for the buildings will be ready
and to request that early orders
may be issued to begin the work.
The Board's Proceedings communicating
approval of Government to construct
the hatcheries at Chandniji and
Wandewash were issued so far
back as 14th March 1889, & 6th April
1889 respectively i.e. more than
two years ago. I cannot too
strongly represent that the existing
buildings are absolutely incom-
patible with efficient administration.

I have the honor to be
Sir,

Yours most obedt. Servant

J. Tataccu,
Collector.
