Letter from the Executive Engineer, Madurai
Division to the Superintending Eng.
W Circle No 491 S.E. 7/23rd Oct/90.

I have the honor to inform
you that the reduced rate of Travelling
allowance sanctioned for all Engineers
Subordinate Students in G.O. No 18354
4-7-90.
has made P. V. Ramasamy Aiyar the
Student attached to this Division is
liable to a refund of Rs 37-8-6 on
account of Travelling allowance at
Rs 15 per month previously passed and
paid.

As the Student requests that
the amount due from him may be
recovered in three monthly instalments
I have the honor to request your sanc-
tion to my allowing him to refund
at the rate of Rs 12-9-2 per month.

The first instalment has,
pending your approval, been recover-
ed.

from his salary for September/90

N^o 737 m d d/ 20 October 1890.

Reference has already been made to the Chief Engineer that sanction be obtained for the C. O. N^o 1835 W of 4th July/90 to be brought into operation from the first of that month, so that no recovery may be made from the allowances already passed.

2. Pending receipt of a reply to the above reference, no further recovery need be made from the subordinate student.

OFFICE OF THE SUPERINTENDING ENGINEER,
6TH CIRCLE.

Machinopoly 1st Sept.
August 1890.

No. 615-10

From Lt. Col. A. C. Smith R.E.

The Superintending Engineer,

6th Circle.

To

The Chief Engineer P.W. through the
Examiner P.W. Accounts.

Sir,

ENCLOSURES.

In G.O. No. 1835 W. of the 4th July/90 (Edu-
cational No. 427 of 12th June/90) it is laid
down that the travelling allowance of
Students of the Engineer and Subordinate
Engineer classes should be limited
to the rates laid down in the Civil
Service Regulations for officers of the
third class.

2. Until the receipt of the above G.O.
Travelling allowance was passed by
the Examiner (although provisionally)
to the Subordinate Students now in
their second year of practical instruc-
tion in this circle under G.O. No.

897 W of 18th March/90 (Educational No. 194 of 4th idem); but now the allowance already passed is required to be revised under the former G.O. of 4th July/90, and the excess or the amount overdrawn to be recovered from the students.

3. In the case of the Subordinate student employed in the Trichinopoly Division, on revising the travelling allowance passed and paid to him up to the end of June/90, a sum of Rs 56-12-10 has to be recovered, agreeably to the remarks of the Examiner on the Dis. List from the Division Travelling allowance for June/90; but the student says that he is unable to refund the whole amount at once and that he will pay it by monthly instalments of 5 Rs from his salary. The student has only 4 months more remaining of the term of his practical course.

4. It is very likely that similar recoveries as the above (probably larger sums in one or two cases) will have to be made from the other Subordinate students. Considering the small

monthly subsistence allowance (Rs 20) drawn by these students, it seems hard to make them refund the sums which they have once drawn under sanction of Government.

5. I have therefore the honor to request that sanction be obtained for the G.O. No. 1835 W of 4th July/90. to be brought into operation from the first of that month, so that no recovery may be made from the allowances already passed.

I have the honor to be

Sir

Your most obedient Servant

Herewith D. C. R. E.
Superintending Dy. M. Birch

Alc

We were informed by No. 1195⁹⁻⁵⁻⁹⁰ that conveyance allowance of Rs 15 per mensem has been sanctioned by Supg Engineer in his letter No. 586 and our bills for the 1st ⁶⁻⁵⁻⁹⁰ three months of our career here, were passed by the Esaminers P. Works and paid during the last month. Now at the 4th Month after the sanction and at a time when we have already and actually incurred the expenses of Jutka in going over to the work (as known from the copy to have been certified by you in our journals) we to
out

our regret are obliged to learn from the copy above alluded to that our sanctioned allowance will be stopped not from the date of intimation of the fact but from May; in other words in addition to our misery to live upon the scanty subsistence allowance of Rs 20 per mensem in a strange place, we are more miserably put in a position not to recover the money we actually borrowed to spend during the last 4 months relying on G.O. No. 879 W. It is on the sub-sequent sanction of Supg. Engineer.

That we are eligible to an allowance admissible to 3rd Officers as stated in the copy, we need not suggest to your kindness that it seems reasonable that this order should take effect from the 22nd August, the date of intimation and not previous to that date.

As a consequence of the above consideration, we most respectfully beg of you to be kind enough to pay the recovery of the spent money from the 1st May to 22nd August at the sanctioned rate of Rs 15 per mensem

For

For which act of kindness we shall ever feel grateful.

we beg to remain ^{Yours} ~~Yours~~ ²⁹⁰ ~~Yours~~

(Signed) A. Arulanan dan Pillay

(Signed) W. Venkata Rao

Forwarded to the Supg Engineer for favorable consideration. It seems very hard on the apprentices if the allowance is stopped from May, while they have been with the expense of Jutha hire on the strength of the sanction of the allowance previously accorded.

It is hoped that the payment of the allowance to them at Rs 15 a month may be sanctioned up to date of order as a special case considering the circumstances.

(Signed) C. J. Peters.

En. Engineer

No. 2678

Forwarded to the Chief Engineer P. W. Department for favorable consideration.

2. It must be a real hardship on the students to have to repay the difference,

difference between the higher rate Rs 15
and the lower rate Rs 7-8-0 of travel
-ling allowance, as sanctioned in G.O. No 897 W and 1835 W dated 18th March and
4th July 1890. I would ask on behalf of the
3 men now employed in the 5th fire, whether
in view of the higher rate having been drawn
after audit the G.O. No 1835 W dated 4th
July 1890 may have effect only from the
4th July.

W. B. Norton

No 5642 d/22-9-90

To W.

As the Government of India have decided the rates of travelling allowance admissible to Engineer and Engineer Subordinate Students, the whole of the excesses drawn must be retrenched unless the Government of India is pleased to sanction the application of the rates only from date of issue of orders.

2. It is however left to Government to order the recovery of the amounts to be retrenched in such instalments as they may see fit to fix having regard to the probable period of stay of the students in the department.
