DOWLAISHWERAM, 20th October 1891.

SIR,

I have the honor to inform you that the Executive Engineer Eastern Division Godavari now surrenders Rs 400 from the Budget grant Rs 1000 under Imperial Military "Repairs" and to request that you will be so good as to resume the same.

2. The cause of the surrender is that the masonry drains proposed to be built in the Military lines at Samulcotta will be classified under "original works" instead of under "repairs" as originally intended.

3. The above surrender was not included in the application submitted with my letter No 366 G.D., dated the 7th instant as it was not then known that the said amount would be given up.
