No. 3878.

Tanjore Division Office,

CAMP Tanjore DATED 6th October 1891.

FROM

Major C. B. Henderson R.E.
The Executive Engineer,

TANJORE DIVISION.

TO

The Examiner

P. W. Accounts, Madras.

SIR,

9/10

I have the honor to point out that in this Division Standing Order 1891 No. 1523 of 22.6.91, cannot be carried out. The Imprest with Cashier of Divisional Office must be at least Rs 40, or he will run short of money before he is repaid.

I find that in 1890 the payments on account of Railway Fares of Lascars varied from Rs 2.15.3 to Rs 17.5.3 a month the average being Rs 3.7.8; in 1891 the payments varied from Rs 7.4.3 to Rs 24.6.9 and the average was Rs 12.10.6; two consecutive months were Rs 11.2.6 and Rs 24.6.9.

Supposing in February the Cashier advances the former sum he will not be repaid until nearly the end of March when the Audited Travelling allowance Bill is received but he must go on through March making advances and before

before he can be reconquered, he
 will have advanced nearly Rs 35,
 it is impossible for him to do
 this with an Imprest of ^{only} Rs 10. I
 think that the amount of Imprest
 with Cashier should be left to the
 discretion of the Executive Engineer.
 In this Division, when the Execu-
 tive Engineer is in Camp his
 Official Dappal is sent out to him
 each day by a lascar who goes
 by rail to the nearest Railway
 Station, time is saved and
 great delays prevented and
 letters can generally be answered
 the day they are received.

I have the honor to be

Sir

Your most Obedt Servt

 tion to the imprest, with the sanction
 of Government, being increased to Rs. 40.
