22nd November 1890.

FROM,

A. J. Arundel Esquire,

Collector,

2967/
Kistna District

TO,

THE SECRETARY
Commissioners of Land
TO THE BOARD OF REVENUE
Madras.

SIR,

With reference to Board's Proceedings No. $\frac{293 \text{ mis.}}{21-1-89}$
on G. O. No. $\frac{876}{19-12-88}$ sanctioning the erection of residence
for the Asst. Assistant Collector at Beavada and to
Board's Proceedings No. $\frac{12979}{18-9-89}$ returning to me the
plan I first sent, I have the honor to forward
plans and an estimate amounting to Rs. 92.90 for
the residence in question.

2. The plan provides two rooms 18' x 16' and two
rooms 17' x 16', four bath or store rooms and a servants
pantry. The front and back verandahs are 9' wide.
The design is after that of my own house at Masu-
lipatam and allows of a free circulation of air
throughout the building. Sufficient accommodation
has been provided for servants and stabling.

3. A site has been obtained and if the sanction

of the Board and Government be given, the
work can be begun at once.

I have the honor to be,
Sir,
Your most obedient servant,

M. Annall
Collector.

Sir, In reply to your No. $\frac{4144}{6.691}$, I have the honor to report that there is only one bungalow at present available in Berwada as a residence for the Head Assistant Collector. This is the one referred to in Mr. Wynne's letter printed with G.O. No. $\frac{876}{19.12.88}$ R. as belonging to Mr. Etturazulu Pillay. During 1889, 1890 and January to April 1891 the local club occupied this bungalow and sub-rented part of it to Mr. Wynne. Since April the club has been removed and I have occupied the whole bungalow. The bungalow is a poor building of stone in mud and the new Head Assistant Collector's Office is to be built two miles away so that it is advisable to build a new bungalow. There will be no railway staff bungalows available in Berwada. Those in Seethanagaram which have been built in connection with the Kistna Bridge

works will be available but the Head Assistant Collector cannot utilise one of them owing to the distance across the river and because Luthamagaram is not in the Head Assistant Collector's division.

I have the honor to be,

REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings ²⁸⁶⁷

of the Board of Revenue (Land Revenue) dated 11th September 1891 No. 6520 Mis. on Endowment from 22nd July 1891 No. 5231.

Read also letter from the same Office dated 29th August 1891 No. 6064 returning the Enclosures called for regarding the Head Assistant Collector's residence at Bezvada.

Resolutions:-

Submitted to Government with reference to the Government Order No. 2854 dated 11th May 1891 for early sanction of the plan and Estimate.

2. The need for constructing a Bungalow for the Head Assistant Collector at Bezvada still continues as the building hitherto occupied is most unsuitable and no Staff Bungalows will be available.

Order thereon, 5th November 1891 No. 5708.

The Government is satisfied as to the necessity for providing a house for the Head Assistant Collector at Bezvada, but is of opinion that the building should be constructed in accordance with the Standard plan submitted by the Consulting Architect

Architect and approved in G.O. No. 5709 of this day's date. The necessary orders will issue in the Public Works Department.
