Madras, 2nd October 1891.

OFFICE NOTE No. 1683.

To W.

There is an inconsistency in the rules in Code para 566 which it seems desirable to rectify.

2. According to the first sentence of that paragraph as read with paras 192 and 267 (j) and (k), a Superintending Engineer has the power to grant privilege leave to an officer of the permanent rank of Assistant Engineer who is not in charge of a division, while according to the third sentence of the same para (566) this power is virtually cancelled as it is there laid down that privilege leave to members of the Engineer Establishment will be given by the Government.

3. Judging from a case that recently transpired, (I allude to the grant of privilege leave by the Superintending Engineer 2nd Circle to Gopal Krishna Iyer temporary Executive Engineer where the sanction of Government was first sought and the

the Superintending Engineer was told in reply that the leave ^{could} ~~would~~ be granted by him). I take it that Government is willing to allow the powers conferred on Superintending Engineers to be exercised by them, and I accordingly submit for the approval of Government a draft Standing Order modifying the third sentence of Code para 566 so as to bring it into accord with the other rules on the subject.
