READ—the following papers :—

From H. S. TAYLOR, Esq., Superintendent of Works, No. I Periyár Division, to the Chief Engineer, Public Works Department, dated Periyár, 2nd October 1891, No. 139 C.E.

In forwarding herewith an indent on England for wrought iron piping 4 inches for use of the tunnel, I have the honour to request that you will be so good as to order the supply of the same as soon as possible.

2. I have the honour to bring to your notice that the orders passed on the indents for stores from England submitted from this office bear no references of this office, and hence it is very difficult to find out the reference of this office on which the order is passed and to note any difference between the articles indented for and complied with till they are notified in the bi-monthly returns of stores, and to request that references of this office may be entered in Government orders and copies of the indents complied with be supplied with Government orders.

From Major D. McN. CAMPBELL, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department (through the Examiner, Public Works Accounts), dated Chepâk, 19th October 1891, No. 476 W.

With reference to your endorsement No. 4377 C., dated 7th October 1891, herewith returned, I have the honour to forward an indent on the Director-General of Stores in England for wrought iron pipes required for the Periyár Project.

Office-note from the Examiner, Public Works Accounts, dated Madras, 30th October 1891, No. 6659/153.

The accompanying letter from the Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, No. 476 W., dated 19th October 1891, with an indent (No. 11 of 15th October 1891) for English stores for transmission to the Secretary of State is forwarded for necessary action.

2. I certify that funds to meet the estimated outlay in England in connection with this indent during the year 1891–92 have been provided by the local Government to the extent of £ 137–0–10 in the estimate of the Public Works Department for that year.

ORDER—dated 11th November 1891, No. 3013 W., Public Works.

Ordered that the indent be forwarded to the Director-General of Stores for compliance.

2. When submitting indents for stores required specially for the Periyár Project or other divisions, the Superintending Engineer, V Circle, will invariably forward the original letter of demand in view to its being read at the head of the Proceedings of

Government and thus serve as a reference to the indenting officer. It will not be necessary to supply copies of indents to indenting officers. Their own office copies are sufficient for reference. Should any modification of the indent be made by Government, it will be duly intimated.

(Here enter No. 3014 W., dated 11th November 1891).
