Proceedings of the Madras Government.

Read the following Proceedings of the Board
of Revenue (Land Revenue) dated 23rd June 1891, No 4232
Miscellaneous

Order. — of 4th November 1891, No 842.

The Government considers that the examination rules should be enforced in the case of Copyists as in other appointments but some concession is called for in respect of those unpassed copyists who have already been entertained in the offices of Government and the Board of Revenue. In the cases of all these employes, therefore the examination rules will be relaxed but it must be understood that this concession will not apply to future appointments of the same nature.

2. It has been observed that the handwriting of many of the persons employed in public offices is decidedly bad in spite of the fact that they have passed the handwriting test; the attention of the Commissioner of U. C. S. Examinations will be drawn to the matter and he will be requested to furnish Government with his views as to the means of ensuring the effectiveness of the test.
