16TH NOVEMBER 1891, No. 3062 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

READ—the following paper:—

From Brigadier-General E. H. EYRE, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 4th November 1891, No. 2456 M.W.

With reference to G.O., No. 5567 of the 9th ultimo, communicating G.O., Public Works Department, No. 2442 W. of the 11th September 1891, which directs that half the cost of the construction of the magazine on Stonehouse Hill, Ootacamund, be recovered from the Nilgiri Volunteer Rifles and credited to Government, I am desired by the Commander-in-Chief to represent, on behalf of the corps, that the present state of its finances renders them quite unequal to the task of paying down such a large sum as Rs. 757 at once and as it would bear hardly on the volunteers if such a large deduction were made from the capitation grant of any one year, His Excellency recommends for the favorable consideration of Government that the liquidation of the above amount be extended over a period of four years, payments to be made in four equal annual instalments, the first deduction to be made from the ensuing year's capitation grant.

2. I am to add that from G.O., No. 4842 of 22nd July 1889, the Nilgiri Volunteer Rifles were led to believe that the corps would be called upon to incur an expenditure of not more than Rs. 250 in connection with the magazine and they are consequently not prepared at present to pay the larger sum now demanded.

No. 6317, Military.

Forwarded to the Public Works Department for favour of sanction to the recommendation of His Excellency the Commander-in-Chief as contained in para. 1 of the Quartermaster-General's letter.

Read the following papers:—

No. 276. From Colonel A. G. HUTCHINS, Deputy Quarter Master General, Madras Army, to Brigadier-General A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Ootacamund, 16th April 1889, No. 234-BK (Ordnance Department—Stores Supplies).

It having been represented by the Commandant, Nilgiri Volunteer Rifles, that great inconvenience is felt by his having no magazine, or safe place, for the storage of small arm ammunition nearer than Wellington, I am directed to inquire whether there would be any objection to a small compartment, to hold about 200 boxes, being added to the magazine proposed to be built on Mount Stuart for the storage of ammunition for a saluting battery.

2. The Commandant is prepared to pay a portion of the cost, which is estimated at about Rs. 500, from his capitation grant; but as this is a large sum to meet from this grant, His Excellency trusts that, if the construction of the compartment is approved, Government may be pleased to assist him to the extent of half the cost.

No. 277. With report from Controller of Military Accounts; 30th April 1889, A.

No. 278. ORDER THEREON, 22nd July 1889, No. 4842.

The construction of the proposed compartment in the new magazine on Mount Stuart is approved, a moiety of the cost (not exceeding Rs. 250) being charged to the State.

2. The Controller of Military Accounts will report towards the close of the official year from what source the expenditure can be met.
