GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

From H. IRWIN, Esq., C.I.E., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chépák, 30th October 1891, No. 2899.

I have the honour to forward, herewith, the marginally-noted correspondence (to be kindly returned) regarding the

1. Letter No. 4988-A from the Examiner, Military Works Accounts, with enclosures.
2. I.D.A. No. 70, dated 8th August 1891, for Rs. 590-6-7.
3. I.D.A. No. 72, dated 8th September 1891, for Rs. 329-10-8.
4. Letter No. 6462, dated 23rd October 1891, from the Examiner of Public Works Accounts, Madras.

2. The only point now at issue is whether G.O., No. 431 W., dated 16th February 1891, therein referred to is applicable for the stock issues from Consulting Architect division.

It appears to me that the Government Order quoted applies only to issues from Workshops. If, however, the Government is disposed to apply the Government Order to supplies from all divisions necessary write back will be made in the accounts of my division.

ORDER—dated 16th November 1891, No. 3064 W., Public Works.

As laid down in G.O., No. 431 W., dated 16th February 1891, 10 per cent. on the value of stores issued to the Military Works Department and State Railways from Public Works Workshops will be charged for general expenses, and the same principle will be applied to stores and raw materials supplied from divisions.

2. The orders contained in G.O., No. 2892 W., dated 29th October 1891, refer to work done and not to stores issued.
