Order Hieron, 13th November 1891, No 5834.

In modification of the orders read above, His Excellency the Governor in Council resolves to dispense with the following requirements

(a) That the front of the choultry should be finished off by the addition of an upper room of an ornamental character as designed by the consulting Architect: no such addition will be insisted upon

(b) That the existing walls on the Northern and Eastern Sides of the choultry should be removed and replaced by ornamental walls in accordance with the design prepared by the consulting Architect the design shown on the plan submitted by Rajah Sir Savabai Ramaswami Mudaliar to J. E. and marked A is accepted.

(c) That the front entrance of the building should be finished off by a flight of steps running down to the road and that the wall on the Northern Side should run up on a curve on each side of the steps to the building. There will be a single entrance

to the premises as shown on the plan referred to above
and the wall may be carried along in front of the main
entrance to the Choultry

2. As regards the bazaar which Rajah Sri Savalai
Ramaswami Mudaliar & Co. wishes to construct,
His Excellency the Governor in Council has no objection
to their location in the North-west corner as shown
on the plan submitted by him, & facing ^{West} East
and 4 Northwards and communicating directly with
the Road. There is also no objection to the lodge for
the watchman near the entrance to the Choultry.

3. Rajah Sri Savalai Ramaswami Mudaliar & Co.
will now be permitted to proceed with the buildings
to completion.

4. The plan on record in the Consulting
Architects office should be revised in accordance
with the above decision.
