Ref. P. M. Postings North St. George Gazette of 29th

September 1891 and G. O. $\frac{2783}{22-10-91}$

Sir

I have the honor to report that I joined the Coimbatore Division at Erode on the morning of 23rd October for the purpose of taking over charge of Kaliyaroyan channel work. This I reported at the time to the Coimbatore Division officer.

On the receipt in your office of G. O. $\frac{2783}{22-10-91}$ shown to me there on my being there on 24th, I returned to Erode and arranged for the return of the Kaliyaroyan papers to the Coimbatore Division officer and left Erode to arrange for joining the Salem Division.

I joined at Salem on the morning of 2nd instant and commenced taking over charge and arranging for the accommodation of the new Division Establishment. During the interval from the date of leaving Erode to date of joining at Salem, being joining time allowed on transfer I arranged for an accountant being posted to the new division and other matters. I had previous to leaving Coimbatore on 24th arranged for separating the Salem and Coimbatore Registers and accounts from the beginning of November.

The accountant joined on the 5th instant and on the 6th the working of the Salem Division was practically taken over. The 3rd and 4th clerks and the two Draftsmen have not yet joined and it will take about a week to separate and take over the Salem Records and Plans &c. As the letters Received and Despatched Registers have, up till the end of October not been maintained separately for Coimbatore and Salem District, these Registers will have to be referred to for some time by both offices. I am having the Salem Register written up separately from 1st January last and I propose to

leave the Salem office at Coimbatore for about a month till the office work has got into independent working order. At starting reference will have constantly to be made to the Coimbatore Division Establishment.

3/15
The report of transfer of charge will be despatched as soon as statement No 85. D has been completed by the Relieved officer.

I have the honor to be
Sir
Your most obedt. Servant.

J. Mansoor
Executive Engineer.
