PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Chairman, Municipal Council, Addon to the
Collector of Bellary dated 21st October 1891 No. 250.

I regret to have to report, for your information, that the shed made over to this Municipality and referred to in G. O. No. 3662 H. dated 30th December 1889 and situated within the Compound of the Taluk Cutchery here and occasionally used by European travellers as a halting place, suddenly took fire and was burnt down to cinders together with all the furniture provided for it by the Municipality. The net loss to the Municipality including furniture and what they had already spent for repairs of the shed would be about Rs. 300.

2. At the time the fire occurred, the shed was occupied by Sub-Engineer Mr. Taylor and his family and children. This gentleman's son a lad of 5 or 6 years seems to have thrown a lighted match into a heap of
Hatch

that placed by the side of the shed and intended for repairs to the roof of the building and thus brought about the accident.

3. I am sorry to add that Mr. Taylor also seems to have lost about Rs. 200 worth of his own property in consequence of the accident.

4. Now that even the above poor accommodation for travellers was lost, I shall suggest to the Council the advisability of their providing for a small but pukka travellers bungalow with the requisite out-houses in the budget for the ensuing year.

Endorsement of the Collector of Bellary dated 4 November 1891 Reference No. 4681.

Communicated to the Chief Secretary to Government, Local and Municipal Department for information.

A small bungalow would be found very useful for travellers.

Order dated 23rd November 1891 No. 2060 M. M. S.
