No. 3187

From

Henry Irwin, Esq., C.I.E.,

Consulting Architect

to the Government of Madras,

To

The Chief Engineer

Public Works Department

Sir,

Enclosures.

I have the honor to request that you will be good enough to obtain the very early orders of Government for the disposal of 71000 broken or stock bricks now on stock of the Consulting Architect. Dispose by public auction or otherwise, as there are at present no demand whatever for them on Government works. The stock on hand is already very great and is being continuously added to daily from the output of the Government Brickfields.

2. One Singaraveloo Moodias is at present willing to buy 10000 of them at Rs 5/- per 1000 (the Book value). The indulgence of either in selling by public auction or otherwise is asked for as the Sub Divisional Officer reports that the bricks if let out purely by auction is not likely to fetch even Rs 5/- at which the individual above

options?

would be willing to purchase. If the option is
given me, I shall try to dispose them in the
best possible way either by private sale or auction.

Sir

Your most obedient servant.
