ORDER—dated 30th November 1891, No. 3208 W., Public Works.

It is observed that in Standing Order to the Madras Public Works Code, No. 1523, a limit of Rs. 10 has been fixed as the amount of imprest to be allowed for advances to lascars on account of travelling expenses. While this sum may be sufficient in the case of sub-divisional offices and for an upper subordinate not in charge of a sub-division, it has been found inadequate for a divisional office. In the case of the last-mentioned offices, therefore, the amount of the imprest may be raised at the discretion of the Superintending Engineer to any sum not exceeding Rs. 25 for each office.

C 19/11

Please state the circumstances which led to the imprest of the Cashier or head Clerk of a divisional office being limited to Rs. 1523 in Standing Order 1523 of 22^d June 1891. The amount seems to be insufficient for the purpose for which it is given.

Read the following

Office order from the P.W. Code No. 5141 C of 19-11-91.
Office order from the P.W. Code No. 7252 of 23-4-91.

It is observed that in standing orders to the Madras P.W. Code No. 1523 a limit of Rs. 10 has been fixed as the amount of interest to be allowed for advances to persons on account of their expenses. It is suggested that this sum may be sufficient in the case of sub-divisional officers, and for and upper subordinates not in charge of a sub-division. It has been found that it is not adequate for a divisional officer. In the case of the last mentioned officer therefore, the amount of the interest on the advances should be increased.
