15TH FEBRUARY 1892, No. 482 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 6th November 1891, No. 6820.

The order of Government in the Financial Department No. 636 A., dated 23rd September 1891, communicated with G.O., No. 2690 W., dated 10th October 1891, seems to be opposed to that issued on the same subject in the Judicial Department in G.O., No. 1956, dated 19th September 1891, communicated with G.O., No. 2688 W., dated 10th October 1891.

2. According to the former, charges incurred on account of incidental expenses in criminal suits are required to be paid for by the department for which the work is done, while, according to the Judicial Department order, such charges are required to be met from magisterial contingencies and are not to be debited to the department concerned.

3. As these orders, therefore, conflict with one another, I shall be obliged by your obtaining the orders of Government as to which of the orders above referred to should be acted upon.

ABSTRACT.—Transferring office-note from the Examiner, Public Works Accounts, dated 6th November 1891, No. 6820.

From the Accountant-General, dated 22nd January 1892, No. I.B.D.-21.

ABSTRACT.—Returning the office-note of the Examiner, Public Works Accounts, Madras, and stating that the incidental charges referred to relate to fees for copies of judgments in criminal suit against the late head clerk, Cuddalore Bridge division, and should be treated as magisterial contingencies and requesting that the endorsement in the Financial Department may be reconsidered.

I have the honor to request that you will be good enough to obtain the sanction of Government for prosecuting the marginally noted persons for criminal trespasses under Section 447 of the Indian Penal Code for having removed to the Pond the Government cattle that were grazing on the ground adjoining the Government Brick fields.

The parties are certain residents of Egmore who sent their cattle purposely about the beginning of this month to graze on the land of the Spur Tank which was lately handed over to the Public Works Department by the Hon. Collector of Madras. The Sub Divisional Officer Mr. P. Mahony of the West Sub Division who is now in charge of these lands sent the cattle to the Pond. After

This

that these people began to give no end of trouble
and did even threaten the Government Bullocks
to such an extent as to derail the cars on the train
line to which they were attached at the time.

3. The assistance of the Police
Commissioner was sought who in reply states that
the Reddies in question are known to Mr. Mahony,
the Police cannot take up such cases and I
should therefore apply for summons to a Magistrate.

4. I have herein enclosed the
whole correspondence and also the opinion of the
Government Solicitor who says that the parties
can be prosecuted under section 447 of the Penal
Code quoted above.

5. I am of opinion that the
prosecution is necessary in the interest of
Government as without it, I cannot believe
that the work in the Government Brickfields
can get on smoothly.

I have the honor to be
Sir

Your most obedient servant
