No. 7307 of 25-11-91

W.

In forwarding this for orders of Government, I should like to be able to pass the charge. This would have been possible under note to para 2 of Appendix G of the Madras P.W.D. Code if the purchase had been made in India, but under Code para 1047, money transactions between officers and authorities in India and firms or persons in England are prohibited.

2. In other words, the Private Secretary to His Excellency the Governor might have purchased the Chintz at Messrs. Wrenn Bennett & Co., or at any other shop in India, at 30 to 40 per cent more in price than that charged by Messrs. Maple & Co., London; but he is debarred under present orders from buying in England even at a considerable saving.

3. I submit for consideration of Government whether it is not desirable that the Government of India should place the furniture fund, in reference to such points, entirely at the discretion and disposal of His Excellency the Governor.
