G. O. S. B. A. S. H. 71, Encl,
 says that a report is
 to be made by "the
 Executive Engineer and
 the Collector". If the
 order thus worded was
 passed on to the S. E.
 without amendments or
 differently would probably
 have arisen - was each
 officer to make a
 separate report, or was
 a joint report to be
 made? The Public
 Works Endowment No.
 3071 was 16 Nov 91 made
 the point clear by
 deciding that the Exec.
 Engineer's report
 should be submitted
 through the Collector.
 It was with reference
 to this amendment of
 the Encl. Dept. order that
 the P.W. Encl. was com-
 municated to the Encl.
 Dept.
