Order thereon. 21st November 1891. N^o 5991 Mis.

The above petitions will be
forwarded to the Zamindar of Kalahasti
through the Collector of North Arcot.

2. The petitioners request that
repairs may be executed to their tanks, ~
many of which are said to have been left
uncared for during a long series of years,
and suggest certain other necessary works.
His Excellency the Governor in Council ob-
serves that under the terms of the sanad
granted to the Zamindar in 1802, he is ~
bound to encourage his ryots to improve
and extend the cultivation of the land,
and

and to lay the foundation of his own happiness in the permanent prosperity of his Zamindari. His Excellency in Council considers that these terms impose upon the Zamindar the duty of maintaining the irrigation works of his Zamindari in proper repair, and accordingly desires that the necessary steps may at once be taken to carry out such repairs to the petitioners' tanks as may prove on inspection to be needed.

3. The Zamindar should be informed that the Government is prepared to render him assistance in the matter. On hearing from the Zamindar, that he is desirous of complying with the orders of Government, the Collector should apply to the Public Works Department for such assistance as may be required for the inspection after irrigation works in question, and will report in due course what action has

has been taken under this order.

4. The petitioners will be informed that the Zamindar has been requested to have the necessary repairs to their tanks executed at an early date.
