SUPERINTENDING ENGINEER

FIRST CIRCLE.

TO,

THE CHIEF ENGINEER

PUBLIC WORKS DEPARTMENT.

DOWLAISHWERAM, 21st November 1891.

SIR,

I have the honor to bring to your notice that the amount of Rs. 45 fixed in G.O. No. 2460 W. dated the 14th September 1891 for each Division for printing charges, per annum, is not sufficient for important Irrigation Divisions, such as the Godavari Eastern & Western Divisions - The Executive Engineer Godavari Eastern D. reports that the limit fixed in the above G.O. has been exceeded Rs. 24 to the end of August 91. He now applies for permission to get some forms printed locally which are required for immediate use. I therefore request that you will be so good as to obtain the sanction of Government, increasing the limit to Rs. 120 per annum for each of the Godavari Eastern & Western Div. Rs. 45 fixed might probably be sufficient for a 2nd or 3rd class Division but not for a 1st class or a special Division.

I have the honor to be,
Sir,
your most obedient
servant,
G. D. Wybrow Esq.
Sup^g Eng^r 1st Circle.

Read the following

*From the Suply. Engineer I circle No. 1486 G. D. dated
21st Nov/91.*

The Government considers
it important that the
restrictions imposed in
G. O. 2460 W of 14th Sep/91
on printing in private
presses should be en-
forced. The limit of
Rs 45 for each division
is that within which
charges can be sanction-
ed by Suply. Engineers,
and this limit cannot
be raised. Charges in
excess of this amount
must be submitted
for the sanction of

of Government. When
local rates are high
the printing should
be done in the Govt.
Press.

2. The excess of Rs 24
in the Godavari Eastern ^{1st} _{2nd}
Division is sanctioned,
subject to countersignature
of the bill by the Suptt.
Govt. Press.
