SIR,
In returning your order -
under No. 5260 C of 24 November/91. I
have the honor to state that the
materials in question were required
for the lightning conductors of Livo-
malraichi palace at Madama, for
which an estimate of Rs. 3420 was
sanctioned in G.O. No. 15711 of 3rd June/91.

The work was considered urgent
as the building had a short time
before been struck by lightning and
so was obviously unsafe. As the
materials were not obtainable at
the P.W.D. it is evident for them
in the regular market would have taken
much time and cost from
