Civil Works.

READ—the following papers:—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 21st August 1891, No. 303 V.Z.

I have the honour to bring to your notice that the building * occupied for the Sub-Registrar's office at Bimlipatam in the Vizagapatam division was vacated on the 6th May last, the Sub-Registrar's office having been removed into the vacant old

District Munsif's court-house at that place (vide G.O., No. 819 W., dated the 20th March 1891). It is now in charge of this department.

2. I have asked the local heads of the various departments to state whether the building would be required by them and I have received replies that it is not required for any department. I know of no use which the said building can be put to by this department, and I, therefore, request that you will be so good as to obtain the sanction of Government for the sale of the building by public auction. The building stands in the books at a value of Rs. 650, and the Executive Engineer reports that it was purchased for that price in 1882. Its present value is reported to be about Rs. 150.
