EXECUTIVE ENGINEER,

COIMBATORE DIVISION.

TO,

THE SUPERINTENDING ENGINEER,

FOURTH CIRCLE, COIMBATORE.

SIR,

Enclosures.

With reference to your endorsement No. 1096 of 14th Instant, I have the honor to inform you that the grass referred to by Mrs. Morgan was that growing on the land within the original line of fencing and that this land was never taken up by the Public Works Department.

2 As this is private land belonging to various owners it is evident that they only, can make arrangements for realizing the value of the grass

FOR ORDERS.

Mrs Morgan's
application dated 21st
Sept. was to cut and
remove the grass growing
within the area enclosed
round the Marhamund
reservoir. It was ad-
dressed to the Revenue
Department, but was
by that Dept. transferred
to the P.W. Dept. under
the impression evidently
that the land within
the P.W. Dept. fence
was under the control
of this Dept. G.O.
2687W dated 10 Oct. '91
is also based on
the

FM
this assumption.

The order was communicated to the local P.W. officers, who did not at once point out that the land was private property. It is only now that this fact is brought to notice.

2. Whether Mrs Morgan has cut the grass or not does not appear from the papers.

The land not being under the control of the P.W.D. the order was issued under a mistake.

Apparently Mrs Morgan has not been communicated with. If she has, she has cut the grass in many places to which she claims. But the grass has probably not been cut. It is better to inform her that the land is not under the control of P.W.D.
