From the Inspector-General of Ordnance, dated 2nd December 1891, No. I/13612.

I have the honour to report, for the information of His Excellency the Governor in Council, that the issue of revolvers to departmental warrant and non-commissioned officers is sanctioned by clause 43, India Army Circulars, dated 31st March 1890, and that, therefore, no further orders are required to comply with requisitions based on this India Army Circular. All that is necessary in this case and in future cases is that the requisition should be prepared on correct form (which can be had from the Arsenal at Madras or Bellary) and countersigned by the Superintending Engineer of the Circle (*vide* para. 834, Army Regulations, India, Volume IV, Ordnance, Part II, Stores).

2. The Ordnance officer, Madras, has been instructed to send to the Executive Engineer, West Coast, Public Works division, correct forms of requisition duly filled in for the signature of that officer and the countersignature of the Superintending Engineer.

Order—dated 7th December 1891, No. 6954, Military.
