# TESTIMONIALS.

BADULLA.  
December, 4th 1880.

Mr. W. E. Newman has come under my notice in different capacities during the last two years. He was for sometime an Overseer and Contractor under Mr. Venning, Provincial Assistant, and upon being thrown out of employment in consequence of a reduction in the P. W. D. Establishment, he was made on my recommendation, Supervisor of Mails. The pay of the appointment is however insufficient for his wants and Mr. Newman has therefore found it desirable to throw it up and seek employment elsewhere.

I believe Mr. Newman to be a very deserving young man. He is of a highly respectable family, and I believe he has always conducted himself well and given satisfaction.

Mr. Venning, I am aware, had a very good opinion of him and would have given him employment in the case of a suitable vacancy.

I trust that Mr. Newman will be successful in getting work upon the Railway.

ÆLIAN A. KING,  
Assistant Government Agent.  
BADULLA.

To,  
G. ANDERSON Esq.,  
Local Fund Engineer,  
MALABAR.

SIR, I beg to take the liberty of recommending Mr. Newman, the Local Fund Overseer of this Taluk, to you for one of the supervisors' post advertised by you.

During my tours in this District I have seen a good deal of Mr. Newman and his work; he is a very steady young man, of respectable family and I consider him very efficient in his work, and just the sort of man you want. He has been in sole charge of the Arcot Taluk for about two years and has in spite of many difficulties succeeded in keeping his roads &c. in good order. He is very willing and does not spare himself and as he is a very deserving and competent man I beg that you will be pleased to give him one of the appointments advertised.

Mr. Newman is from Ceylon and as he has no friends in India and as I have seen much of him I have ventured to bring him to your notice.

I beg to remain

Sir,

Your Most Obedient Servant,  
ROBT. A. MACALISTER,  
Supervisor D. P. W.  
Sub Divisional Officer  
Arcot.

I have known Mr. Newman for the last year and have seen a good deal of him during that time. He is Local Fund Overseer of Arcot Taluk, in the Sub-Division. I have a very good opinion of his character, and hope he may succeed in being appointed as Supervisor in Malabar, where I am sure he would give satisfaction.

Steady man and fairly good officer. Rendered good service in collecting and keeping labour at Irritty and Merampoya Bridges during reconstruction.

District Board District Engineer,  
MALABAR.

Mr. W. E. Newman has been a Supervisor in charge of Tellicherry and Palghat Sub-Divisions in the Malabar District for the last seven years, and I have pleasure in stating that I have found him to be a steady intelligent and good officer. I am sorry to lose him, but as the Supervisorships are now to be abolished on the reorganisation of the Local Fund Engineering Department here—his services have been dispensed with. I shall be glad to hear of him doing well in the future and hope he will soon get a job as he deserves encouragement.

Dear Mr. Newman,

I have received your letter and telegram asking me to recommend you to the President of the Tinnevely District Board. As you were not my direct subordinate in Malabar I cannot say more than that I knew you stood high in the good opinion of Mr. Anderson (the late L. F. Engineer) and that I believe you to be a competent and trust worthy officer well qualified to hold the post of supervisor.

Yours faithfully,  
H. M. WINTERBOTHAM.
