Read the following papers :—

No. 78. *From C. M. SMITH, Esq., Acting Bursar, Madras Christian College, to the Chief Secretary to Government ; dated 23rd February* 1891.

The Council of the Madras Christian College having resolved to ask the permission of Government to erect a small room in their gymnasium on the Light-house esplanade, I have the honour to address you on the subject.

2. Before the High Court buildings were begun our gymnasium was close to the college and all the materials could be stored there without difficulty. Now, however, when the gymnasium has been removed to beyond the light-house, it is different and great inconvenience is caused by having to carry the dumb-bells and other apparatus so far whenever they are required. We accordingly desire permission to erect a small room with an area of, say, about 10 feet by 12 feet, in which we could store the gymnastic and cricket materials. The building must be strong enough to keep out thieves and large enough to hold the moveable pieces of apparatus ; but, if these conditions are satisfied, all other considerations can be sacrificed to that of making such a building as will not in any way be objectionable. If built like the small rooms round the light-house, it would, I believe, be quite inconspicuous and I cannot think that any one would object to it.

3. In addition to its use for storing apparatus, such a building would add greatly to the comfort of the pupils, who could keep in it their books and upper clothing while they were at work and so protect them from the weather.

4. I trust Government will see its way to grant the request of the Council.

No. 79. *From Brigdr.-Genl. E. H. EYRE, Quarter Master General, Madras Army, to Brigadier-General A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Ootacamund, 17th April* 1891, *No.* 872-*M* (*Sites*).

In returning reference order No. 1501, dated 11th March 1891, and its enclosure, I am desired to state that His Excellency the Commander-in-Chief has no objection to the grant of the site on the Light-house esplanade to the Christian College Council for the erection of a small room for the storage of gymnastic and cricketing materials, on the following conditions:—

(1) that this grant does not convey to the Council any right of ownership to the plot of land; and

(2) that the land may be resumed by Government at any time, if required for a Military purpose, without compensation being paid, the site being cleared at the expense of the Christian College Council.

Memorandum.

With reference to letter from the Acting Bursar, Madras Christian College, dated 23rd February 1891, relative to the erection of a small room on the Light-house esplanade for the storage of gymnastic and cricket materials, the undersigned has the honour to state that Government will offer no objection if the shed is sufficiently far removed from the High Court buildings and to be placed on the south side of the gymnastic exercise ground. But, before passing final orders on the application, it is requested that a plan of the shed and site plan of the ground may be submitted, through the Consulting Architect to Government, who should be asked kindly to give his opinion as to whether the appearance of the High Court buildings will be affected prejudiciously by the structure.

No. 81. *From H. IRWIN, Esq*, C.I.E., *Consulting Architect to the Government of Madras, to Brigadier-General A. KENNEY-HERBERT, Secretary to Government, Military Department (through the Chief Engineer, Public Works Department); dated Madras, 27th October* 1891, *No.* 2841.

With reference to your memo. No. 2940, dated 27th May 1891, I have the honour to submit a plan of the store-shed and site plan, and to state that I have no objection to the plan itself; but by the erection of the shed, the gymnasium and tennis courts will be rendered a permanency, which I do not think would be desirable as they are situated within 250 feet of the Chief Justice's Chamber and Appellat Court.

2. The grounds adjoining the High Court building should be laid out with shrubbery and the presence of the tennis courts and gymnasium will somewhat interfere with the planting.

3. I beg also to state that the site for the store-room is 1,075 feet from the Fort ramparts, and I think it would be advisable to let this matter stand over until the question of building on the esplanade is finally settled.

No. 82. Order thereon, 3rd December 1891, No. 6889.

Mr. Michie Smith will be informed that, as it is possible that the whole gymnasium will have to be moved when the High Court comes into occupation of the new buildings, the erection of the proposed store-room cannot now be permitted.
