NOTES.

P. W. D. FORM,
No. M 184.

REFERENCE TO MADRAS P. W. D. CODE,
EDITION OF 1886.

PARAS. 25 & 26.

PUBLIC WORKS DEPARTMENT, MADRAS.

1. The column headed "present scale" should invariably show the sanctioned scale for the time being and not the strength of the actual (whether above or below sanctioned) establishment as it happens to stand at the time. The "present scale" should be verified by the examiner before the proposal is submitted to government for sanction (paras. 25 and 26).

2. In the column "average or fixed pay," financial value, not mean value, should be given.

3. The financial value should in the case of progressive appointments be calculated as follows:—

(1) If the period of rise from minimum to maximum is 5 years, the average will be the minimum plus two-thirds, or if the appointment is a ministerial one, plus three-fourths, of the difference between the minimum and maximum (C. S. R., Art. 164).

(2) If the period of growth exceeds five years (as in the case of accountants) the $\frac{1}{5}$ th fraction should be decreased by $\frac{1}{10}$ th of the difference for every year by which the period exceeds five; the fraction for periods in excess of five years will therefore be as follows:—

$$6 \text{ years} = \frac{1}{5} - \frac{1}{10} = \frac{1}{10}$$

$$7 \text{ years} = \frac{1}{5} - \frac{2}{10} = \frac{1}{10}$$

$$8 \text{ years} = \frac{1}{5} - \frac{3}{10} = \frac{1}{10}$$

and so on; so that when the period of growth is 20 years the financial value will be the exact mean.

Tabular Statement showing the proposed Changes in the Establishment of the P. W. Department, Madras Presidency.

The entries within under the head, "Present scale" have been checked and found correct [subject to exceptions noted below*].

Examiner of P. W. Accounts, Madras.

* The words in brackets should be scored out when there are no exceptions to be noted.

Madras, 5 December 189/

OFFICE NOTE No. 75-80.

To

W.

3173-4 W.D. 26.11.91

Consequent on the abolition of the Madras P.W.D. Code, one peon at Rs. 6 can be dispensed with, and I therefore submit a revised proposition statement for the menial establishment of this office.

2. The duty of this peon is to take standing orders, forms etc., to Press for printing, and to bring back printed matter. Some printing will of course still be necessary, but by hiring a messenger whenever necessary the cost will be reduced to about one-fourth the pay of a peon.

3. I take the opportunity to revise the scale of peons. I find that in his No. 1596 dated 13th. March 1891 Major Christie proposed to increase the pay of the head-peon to Rs. 12, but in my opinion he is adequately paid at Rs. 10. I however submit that the sanctioned scale of pay for the others is not sufficient to secure good, reliable men. The number of men at each different rate of pay is also defective, and allows no prospect

4. My proposals involve an increase in cost of only Rs.3 a month, and I beg that Government may be moved to sanction them with effect from the 1st instant.

Offg. C.
