To

The Suptg: Engineer,

III Circle, Bellary.

Sir,

I have the honor to request instructions as to whom I may give authority to make payments on Famine Relief Works. There must be one paying Officer on each work as he has to make payments every day as long as there are fresh coolies coming to the work.

I propose to appoint Sub Overseers for the purpose on pay Rs. 40 or 50 and request sanction to appoint 4 such men as occasion may require. They will have to be both executive and paying Officers, on such small works as we have and as such

such authorized to pass nominal rolls
as well as to pay them.

On the two works Darajee & Arakalli
Tanks there would be one Sub Overseer
on each and one Overseer to superintend
both works who could also be employed
on other works.

I have the honor to
