ENCLOSURES.

Sir,

With reference to your endorsement No. 636/91-C of 8th November 1891, on G.O. No. 2778 M of 22nd October 1891, calling for an explanation for the erroneous entry in the Budget of 1891-92 of the construction of a Sub-Registrars Office at Pandicode, I have the honor to state that at the time of preparation of the said Budget the then Draftsman V. Ramachandra Iyer was asked to give a list of works, the estimates for which were under preparation, which was furnished accordingly in a slip in which the said work is entered.

2. As he is not now in my Division it is stated that no explanation can be offered. The entry is evidently a clerical error for a

Police

Police Station at Pandicode.

I have the honr to be
