5th December 1891.

The Honorable J. F. Price
Chief Secretary to Government
Madras.

We have the honor to submit for your inspection a set of Photographs showing different views of our Foundry and Engineers Workshops.

Our firm represents the youngest of European engineering enterprise started in this city and we shall be glad to know if Government will be pleased to accord us some measure of support.

The money that passes through our hands is spent for the benefit of labour and trade in this Presidency and as we are in a position to execute light constructional work for charges, in favourable comparison with similar firms
