OFFICE NOTE No. 46781.

To

If the allotments, on account of percentage debits to other funds for establishment charges, are fully worked up to, there will probably be a saving of about Rs. 20,000, under the grant for establishment Provincial, as far as I can judge, and this sum may therefore be surrendered; but should there be a lapse under any other fund, there will of course be a corresponding increase in the net charge against Provincial funds for Establishment, which will reduce the saving of Rs. 20,000 mentioned above.
