No. 2461.

Superintending Engineer's Office,

3RD CIRCLE.

Bellary 3 December 1891.

FROM

Colonel H. Smalley R.E. 3450

SUPERINTENDING ENGINEER,

IIIRD CIRCLE.

TO

THE Chief Engineer.

P.W. Department,

Madras.

Enclosures.

Your Memorandum No. 5302C of 25-11-91.
Sir,

Sub Engineer Mr. Steinig having been employed on special duty in rain making experiments at Bellary from 18th November to ^{4th H.I.} 2nd December inclusive, I have the honor to recommend that a special deputation allowance be sanctioned him at the rate of 2 Rupees per diem for the above period. Mr. Steinig will not draw Sub Divisional allowance for those days.

I have the honor to be

Sir,

Your most obedient servant

H. Smalley R.E.
Superintg Engineer

No. 7007 of 14-12-91

To W.

Under Civil Service Regulations articles 94 and 98(a) the deputation allowance of Rs. 2 per diem recommended by the Superintending Engineer 3rd Circle may, if Government consider that the duties of Sub Conductor F. Heinig, Sub Engineer 1st Grade, while on special duty from 18th November to 4th December 1891 both days inclusive, involved a decided increase of work or responsibility in comparison with the duties of his regular appointment, be sanctioned by Government as it would be within the limit one-fifth salary admissible under Civil Service Regulations article 98(a).

The Honorable Member

In ordinary circumstances Sub Conductor Heinig might have done what he did with respect to the rain making experiments, without interference with his duties as Sub Divisional officer. But he was appointed to this special duty immediately after he was relieved of the charge of the Bellary Division by Mr. Peters, and before he resumed charge of his Sub Division.

It is considered therefore that although he need not be granted any extra remuneration.
