G 433 & experienced irrigation engineers are required for transfer to local administration list for service in Burma for which additional staff has been sanctioned & it is possible that prospects of promotion would be improved to officers of your list volunteering to be placed on the Burma list. Will any of your officers of rank of executive engineer second or lower with permission of his excellency the Governor allow their names to be brought forward and considered it being understood that before being finally transferred their position will be explained.

I don't understand this - The Govt.
of India have at this moment an
application before them from the Govt.
of Madras, asking for 15 superior and
10 subordinate

engineers. I would call their attention
to this, and say that until our prospective
troubles are over, we have not a man
to spare.
