Current No. 1452 ⁴⁵⁸

Letter No. 237

Dated 4th February 1891

From the Judicial Deptt:

Forrest L. Ct. J.
Dorchester ^{Wm}

NOTE OF REMARKS. 14.2.91

The accompanying
estimate amounting to
Rs 12,730 provided for
general repairs to the
Penitentiary Buildings
at Madras.

These buildings are
particularised in the
report accompanying
the estimate.

The repairs are of a
petty nature.

The rates as far as can
be checked are fair.

It is remarked in para
2 of the Judicial Deptt
forwarding order that
the Inspector General of
Prisons should take steps
to select a suitable site
for a new jail or have
the necessary plans

+ No 237

proposed. It is also
assumed that such a
site could be found
on the Southern side

of the Adyar -

The plans referred to
in the order quoted above
have not yet reached
this office, but as the work
to be done is of a pretty
important nature it is
apparent to be necessary.
The new receipt of the
plans might however
be made -

Order dated 4 February 1891 No. 237.

The plans and estimates are approved
and will be transferred to the Public Works Depart-
ment.

2. At the same time, in view of the
objections which exist to the present locality of the
Penitentiary the Inspector General should take
steps to select a suitable site for a new jail
and should draw up the necessary plans and
estimates. It is possible that such a site could
be found on the Southern side of the Adyar.
