Note

It now appears that the house, the purchase of which for Rs 6000 the S.E. III Circle recommends, is not the one intended for the Sub divisional officer but another, which it is proposed to utilise for a Head Asst. Collr's residence.

The matter of designing a house for the Head Asst Collr at Nandyal has given much trouble (file put up) & if a suitable residence can be purchased & fitted up for Rs 8000, it will greatly simplify matters.

The question however cannot apparently be settled off hand, as suggested by the Supdg Engr. The present Head Asst Collector is satisfied with the building, but his successors ~~and~~ may not be, & it seems necessary to obtain the concurrence of the Rev. Board & the Rev. Dept to the proposal. For this purpose a plan of the building will be required.

A valuation estimate of the building should also be submitted

Note. 495/5

In the papers printed with G.O. No 2368 W of 3-9-90, the S.E. III Circle reported that the S.M. Railway Co. was willing to sell the railway bungalow for Rs 4000, & that the necessary repairs would cost Rs 994.

The sanction of the Govt. of India was accordingly obtained to an expenditure of Rs 5000.

The S.E. now writes ~~that~~ (without referring to the previous papers) that the bungalow is "purchaseable for Rs 6000, repairs required under 2000, total 8000" —

Apparently the same building is meant.
